MESSAGE FROM SCHOOL LEADERSHIP TEAM

السلام عليكم ورحمة الله وبركته

It is with great joy and gratitude that we welcome you to this edition of our school newsletter. As we continue our journey of academic excellence, character building and spiritual growth, we remain committed to providing a nurturing and inspiring environment rooted in Islamic values.

At Tayyibah Girls' School, everything we do is rooted in our ethos. We believe that the ethos of our school should shine through in everything we do — from academia to creating a positive environment. We want to ensure our pupils feel happy, confident, and proud of their Muslim identity.

Our leadership is strong, focused, and committed to fostering an environment that prioritises both learning and positive behaviour. By instilling a strong sense of discipline and respect, we aim to create an atmosphere where every pupil thrives, excels, and feels supported in their journey.

This newsletter is our way of sharing the exciting moments, achievements and updates that make our school such a special place. As well as sharing exciting updates and important announcements we will also be highlighting student achievements, upcoming events, and much more, we hope you find inspiration and joy in these pages.

Jazakumullah khair for your support and duas!

May Allah (SWT) continue to bless our school, guide our students and strengthen our community.

SCHOOL LEADERSHIP TEAM

“Our mission is to provide education to the highest possible standards in an Islamic environment, encouraging excellence, discipline and the quest for knowledge.”

Graduation Ceremony 2024

The doors at Tayyibah Girls School were opened wide for pupils, staff, parents and governors, as our former Year 11s came together one last time to celebrate their achievements.

At this glittering event, Year 11s were awarded certificates and prizes for their outstanding achievements. They also received their much-awaited GCSE Certificates and gifts from the school.

This was a truly amazing event that celebrated the achievements of our pupils and gave us a brief moment to reflect with parents, pupils, governors and staff on what makes Tayyibah such a special place to come to.

Everybody knows that we ask a lot of our staff and pupils, and it is true, but the rewards are also high, as we saw on Sunday afternoon.

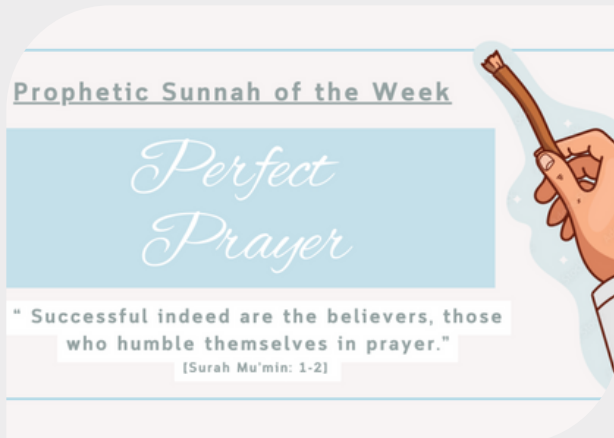

SUNNAH OF THE WEEK

Throughout the term the school presents one Prophetic Sunnah, prepared by the Islamic Studies department for the students. The Sunnah is a simple activity which pupils can implement into their daily lives.

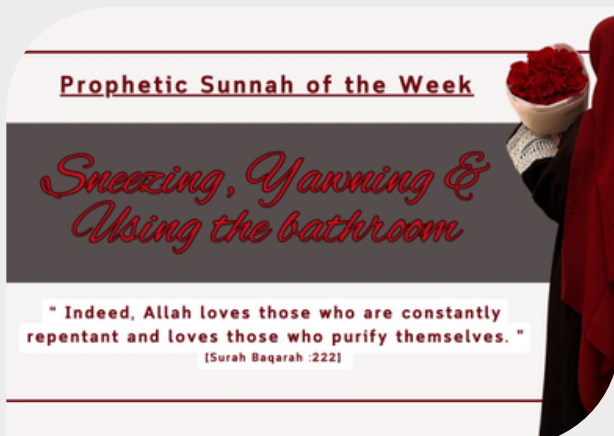

Below are the Sunnah which have been covered this term:

Secondary Quran Lessons

We only live once in this dunya, and we don't get a second chance to relive the time we've wasted. Every moment that passes is gone forever, never to return. Youth is the most precious and defining stage of our lives. It is a time of energy, potential and opportunity. When we are young, our minds are sharp, our bodies are strong, and we have the ability to learn, grow and make a difference. That's why utilising our time wisely is not just important, it is essential.

We firmly believe that with Allah, every difficulty becomes easy. That is why we begin each day by remembering Him, reciting the Quran and seeking His barakah in our time, our studies and our lives. We need Him at every moment, and our goal should always be to please Him. But how can we truly achieve that if we do not discipline ourselves, if we fail to manage our time wisely, and if we neglect our responsibilities.

Punctuality is a sign of discipline, responsibility and sincerity. Islam teaches us the importance of time. Allah swears by time in the Quran:

"By time! Indeed, mankind is in loss, except for those who believe, do righteous deeds, and encourage each other to truth and patience." (Surah Al-Asr)

AL AQSA WEEK 2025

Alhamdulillah, students and staff came together to participate in a meaningful and enriching Al-Aqsa Week, engaging in a series of educational and creative activities that deepened their understanding of Masjid Al-Aqsa.

The event was carefully structured to incorporate multiple subjects, allowing students to explore this important topic from various perspectives.

The history department led engaging sessions on the historical significance of Masjid Al-Aqsa, helping students connect with its rich past and understand its importance in the Muslim world.

In English, students expressed their thoughts and emotions through poetry, creating heartfelt pieces that reflected their understanding and appreciation of Al-Aqsa.

The Islamic studies department organised a thought-provoking assembly, where students reflected on the spiritual significance of the site and its role in Islamic heritage.

Meanwhile, the art department facilitated creative projects, encouraging students to design bookmarks and paint canvases that visually represented their connection to Al-Aqsa.

This cross-curricular approach provided students with a holistic learning experience, fostering deeper engagement and a strong sense of unity.

Palestine best in the west
the olive tree is there crest
Surely Palestine will be free
from the river to the sea
The cries the death the bombs they see it everyday
Poor children can't go outside to play
Israel let the children go
be a friend not a foe
over to the soldiers of day
Palestine makes it okay
I can say it one time a million times for them not me
Palestine will be free

YEAR 8 ENGLISH

8B enjoyed a newspaper editing workshop at the Guardian Newspaper office where they were introduced to the fast-paced world of newspaper publishing and editing, and learnt about the intricate details that go into the creation of a well-reading newspaper front page.

Pupils selected and edited real news stories of the day using The Guardian's editing software, and they worked in pairs to create their very own newspaper front pages.

The Year 8s have been learning about the use of persuasive language in advertising. They have showcased some real creative talent in applying their knowledge of persuasive devices to promote their products to suit their target audience. The students considered the psychological impacts of advertising, the importance of packaging and colour themes to suit a product's promotional message.

This unit also opened up dialogue about Surah Rahman and how Allah SWT persuades us lovingly to remember the blessings bestowed upon us.

YEAR 11 TRIP TO MATHS INSPIRE

Ms Fatima took year 11 on a trip to the Cambridge theatre to experience 'Maths inspiration'.

They enjoyed the talks given by a variety of mathematicians, particularly Matt Parker and his Impossi-ball!

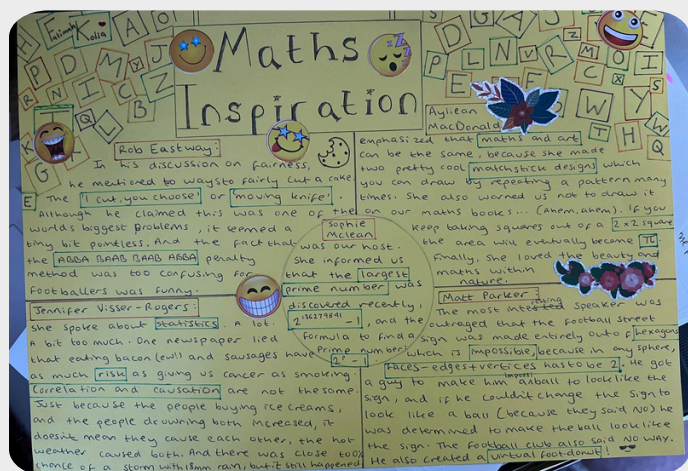

At one point one of our students went up on stage to take part in an experiment about how psychology and maths are used together.

Suraya from year 11 along with other students had to decide whether to choose a plain digestive or chocolate one.

Rob Eastaway, one of the speakers, was trying to show that most people opt to give the other person the better option when sharing.

In the end, Suraya got the chocolate digestive!

We hope that year 11s were truly inspired by the show. Here are some photos taken of the show and some posters made by the students

ANTI-BULLYING WEEK 2025

1

ODD SOCKS DAY

During the term, students participated in Odd Socks Day. This is a day when students are free to come in wearing odd socks which represents the fact that everyone is unique.

Some students and their families donated money on the day and the money raised will be going to the charity Mind which helps people who face challenges with their mental health.

'Choose Respect'

I respect you, you respect me
We both respect each others family
Be respectful everywhere about
It is the best option, with no doubt

Respect is more than just one word
It's about the love we give to each bird
Bullying ends when respect appears
It is when everyone hears

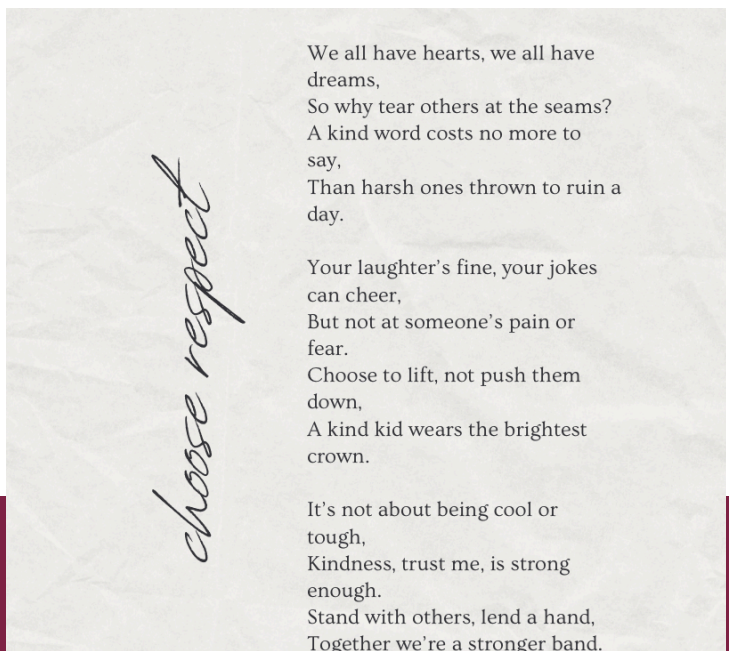

Respect is a sun that brings light
Above us it shines so bright
We take it for granted, we take the fall
It is about time we call

So let's stand tall, all united
With the power of respect, we are all guided
No matter your race, style or even name
With respect there is so much to gain

2

SECONDARY POEMS

Pupils from secondary wrote poems to reflect this theme.

We all have hearts, we all have dreams,
So why tear others at the seams?
A kind word costs no more to say,
Than harsh ones thrown to ruin a day.

Your laughter's fine, your jokes can cheer,
But not at someone's pain or fear.
Choose to lift, not push them down,
A kind kid wears the brightest crown.

It's not about being cool or tough,
Kindness, trust me, is strong enough.
Stand with others, lend a hand,
Together we're a stronger band.

PRIMARY QURAN COMPETITION 2025

Alhamdhuillah On February 10th, we held a wonderful Quran competition, Alhamdhuillah. The event was a great success, with enthusiastic participation from students and strong support from their parents.

We awarded certificates and prizes to our top competitors, recognizing their dedication and effort.

The atmosphere was warm and encouraging, making it a truly memorable occasion. To conclude, the children came together to recite beautiful nasheeds, adding to the joy of the gathering.

May Allah SWT accept all the participants and teachers for their efforts.

YEAR 8 FOOTBALL MATCH WITH MADANI GIRLS SCHOOL

On Wednesday 27th February Tayyibah Girls School played a football match against Madani Girls School.

It was a very exciting match, Madani girls school took the lead scoring a brilliant first goal, but Tayyibah quickly equalised thanks to Asia Abdi Habib.

It was a closely fought match and Madani was awarded a penalty which they scored taking the score to 2-1.

Asia who had an outstanding match then went on to score again keeping Tayyibah in the game.

Then at 2-2 Bushra Ahmed shoot a fantastic goal in the final minute bringing the score to 3-2 to Tayyibah girls.

Well done girls excellent first match result!

AFTER SCHOOL CLUBS

A number of after school clubs have started for both primary and secondary students during the last term.

1

NETBALL

This term, our netball club has been a great success, with kids really enjoying the sessions! They've been working hard to improve their skills while having fun and building strong teamwork. It's been wonderful to see everyone so engaged and having such a great time.

2

HOME ECONOMICS

Alhamdulillah, the kids had an amazing time this term in the Baking Club! They had so much fun exploring the world of baking, creating delicious treats, and expressing their creativity. It was a wonderful experience where they learned new skills, worked together, and shared plenty of laughter along the way.

3

ARABIC

Students in our Arabic club have been working on improving their language skills. They've been focusing on grammar, vocabulary, and sentence structure, making steady progress throughout the sessions. It's been great to see their development and commitment to learning Arabic.

Inshallah the school is planning to extend the range of after school clubs in the final term of this academic year.

The plan is to offer academic and non-academic clubs.

The Government offers a range of help to parents to cover child care costs.

Working parents of primary children may be entitled to Tax Free Child Care.

Further information can be found on <https://www.gov.uk/tax-free-childcare>

Parents who are receiving Universal Credit may be able to claim up to 85% of costs for after school clubs.

Further information can be found on <https://www.gov.uk/guidance/universal-credit-childcare-costs>

For further information, please contact Ashraf in the school office.

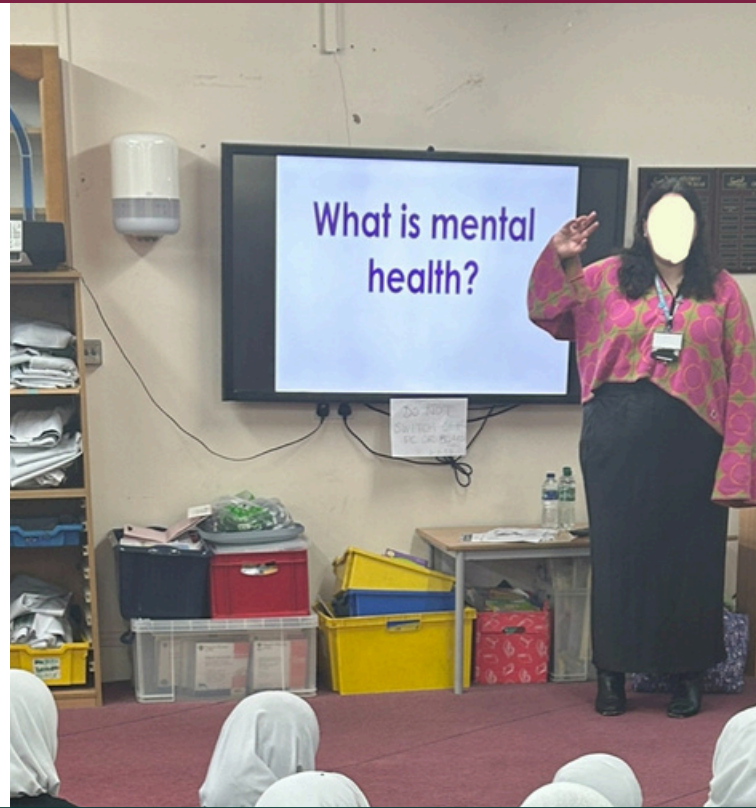

FURTHER EVENTS THIS TERM

CHILDREN MENTAL HEALTH WEEK

Pupils recently had lessons as part of Children's Mental Health week.

At the end of the week, students in Years 7 and 8 engaged in an emotional wellbeing workshop run by a member of the Young Hackney team.

Pupils found the workshop to be highly engaging as they were introduced to topics that resonated with them and they even took part in a fast-paced game of Simon Says! Additionally, students were given some key strategies that will help them in protecting and maintaining positive mental health.

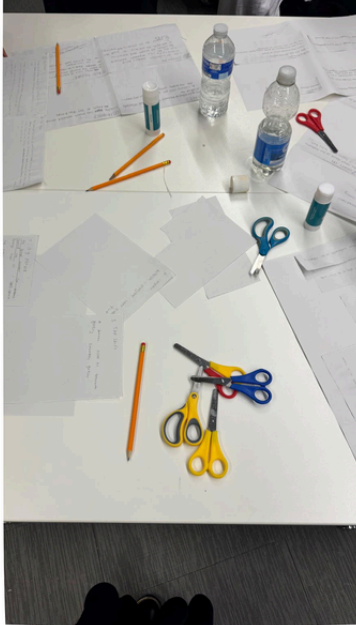

YEAR 3 LETTER WRITING

Year 3 students have recently been learning how to write a letter.

The students dedicated some time in their lessons to learning about the layout and style of a letter. They then wrote letters to people they know.

Alhamdu'lillaah, with the help of members of staff from the Art and TA support department, students were able to post their letters while on the way to the local library.

Y10'S BRITISH LIBRARY TRIP

The British Library houses poetry, picture books, scripts and stories from writers across the globe. Our students had an opportunity to become a writer for the day at this creative writing workshop.

Created by professional writers, this workshop introduced learners to a range of creative techniques to generate new writing. Students gained confidence in drafting and editing their own work and took a guided tour through the Treasures of the British Library gallery to look at some of the incredible original draft material on display from writers whose words changed the world.

HACKNEY JUNIOR CITIZENSHIP SCHEME TRIP

Year 6 pupils recently went on a trip to the Hackney Junior Citizenship Scheme which takes place at the youth hub that runs 'Young Hackney'.

The girls engaged in a variety of workshops which informed them about road safety, the dangers of substance misuse, how to navigate public transport as a secondary pupil, fire safety and emotional wellbeing.

Congratulations

ARABIC CALLIGRAPHY TASTER SESSION

The School recently arranged a taster session for our primary school students to explore the art of Arabic calligraphy. During the session, they learned about the history and techniques behind this beautiful art form and even had the opportunity to see their own names written in Arabic calligraphy. It was a great introduction to this unique skill, and the students really enjoyed the experience!

ONLINE SAFETY

To help keep your daughter safe online, we will be including bitesize information in our termly newsletter to help you stay informed about how to help to keep your daughter safe online.

WhatsApp Group Warning

Whilst WhatsApp has an age rating of 13+ (recently lowered from 16), an investigation by the BBC has found that children as young as nine have been added to WhatsApp groups and seen inappropriate content.

If your daughter is using WhatsApp, check their group settings as by default, group privacy settings are set to everyone, which means anyone can add your daughter to a group without their approval.

You can change this setting to 'My contacts' so only contacts can add them to groups. If someone who is not a contact wants to add them to a group, then they will need to send them an invite.

Supporting your child to stay safe online

The school network has very strong safeguards to prevent children accessing inappropriate material but children are likely to have fewer barriers when accessing the internet at home.

To support you in helping to keep your children safe online, we have compiled some useful links for adults and children. (Click on link to access)

ATTENDANCE MATTERS

Attendance Matters

Every student. Every day

Implications of Poor Attendance

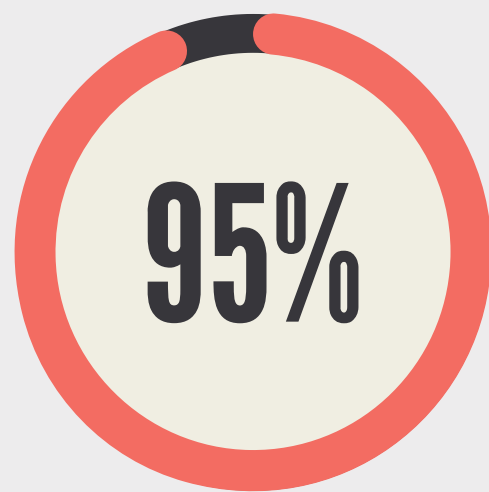

Poor attendance (below 96%) is one of the single biggest blocks to student learning, having consequences not only for their achievement at school, but also their future life chances.

Implications for your child

There is strong evidence to show that where an individual students' attendance is below 96% it will have a detrimental effect on their achievement, becoming increasingly damaging as their attendance percentage becomes lower.

Research by the Department for Education (and backed up by many other studies) show that pupils with poor attendance are likely to experience:

- Loss of learning – gaps in knowledge and skills, and sense of 'not understanding'
- Academic underachievement
- Difficulty making friends
- Loss of confidence and self-esteem
- Impaired socialisation for work

SCHOOL TARGET

The creeping effect of school absence

Many students do not realise how, over missing 1-2 days through the year (or arriving a few minutes late each day) accumulates and the impact it has on their learning, progress, achievement and success over time.

Punctuality Matters Too.

Missed minutes = missed learning = missed opportunities.

- Being frequently late for school adds up to lost learning:
- Arriving 5 minutes late every day adds up to 3 days lost each year
- Arriving 15 minutes late every day is the same as being absent for 2 weeks a year
- Arriving 30 minutes late every day is the same as being absent 19 days a year

تَقَبَّلَ اللَّهُ مِنَّا وَمِنْكُمْ

Eid Al-Fitr Mubarak

May Allah (SWT) grant all of the Muslims a joyous and fulfilling Eid. May Allah (SWT) accept all of the good actions that we performed and fulfill the beneficial du'as that we asked for in Ramadhan. May Allah (SWT) grant us the taufeeq to continue and increase in these good deeds and abstain from sins throughout our lives. May Allah (SWT) return us to Him in a manner which He finds most pleasing and grant us complete success in both the worlds.

(امين)

Finally, the teachers and governors at Tayyibah Girls School would like to wish all the parents, students and stakeholders Eid Mubarak.

May Allah تعالى و سبحانه accept our fasts, our Qiyam, our charity, our zikr, our dua and whatever good deeds we have done during the blessed month of Ramadhan. (Aameen).

May Allah تعالى و سبحانه continue to shower his infinite blessings on the Ummah of Mohammed ﷺ. May he unite the Ummah and remove all the trials and tribulations the Ummah is facing.

We request that Tayyibah Girls School continues to be remembered in your duas and request parents to support the school in whatever you can.
