MESSAGE FROM SCHOOL LEADERSHIP TEAM

السلام عليكم ورحمة الله وبركته

It is with great joy and gratitude that we welcome you to this edition of our school newsletter. As we continue our journey of academic excellence, character building and spiritual growth, we remain committed to providing a nurturing and inspiring environment rooted in Islamic values.

As we move towards the close of another school year, we would like to give our heartfelt thanks to all members of the school community for their continued support. We have made great progress again and it has been wonderful to receive so many positive comments from parents, carers and the local and wider community which reflect the growing confidence in our school.

We are hugely proud of the successful Ofsted inspection in May 2025

On behalf of the Tayyibah Girls School staff, we would like to wish you all an enjoyable and safe summer holiday. We wish all the very best to staff leaving us and thank them for their commitment to the school and their relentless focus on making sure your children have the very best education. We also wish all the pupils that will be leaving Tayyibah the very best for a bright and successful future – we hope they look back at their time at Tayyibah with fondness and happy memories

Jazakumullah khair for your support and duas!

May Allah (SWT) continue to bless our school, guide our students and strengthen our community.

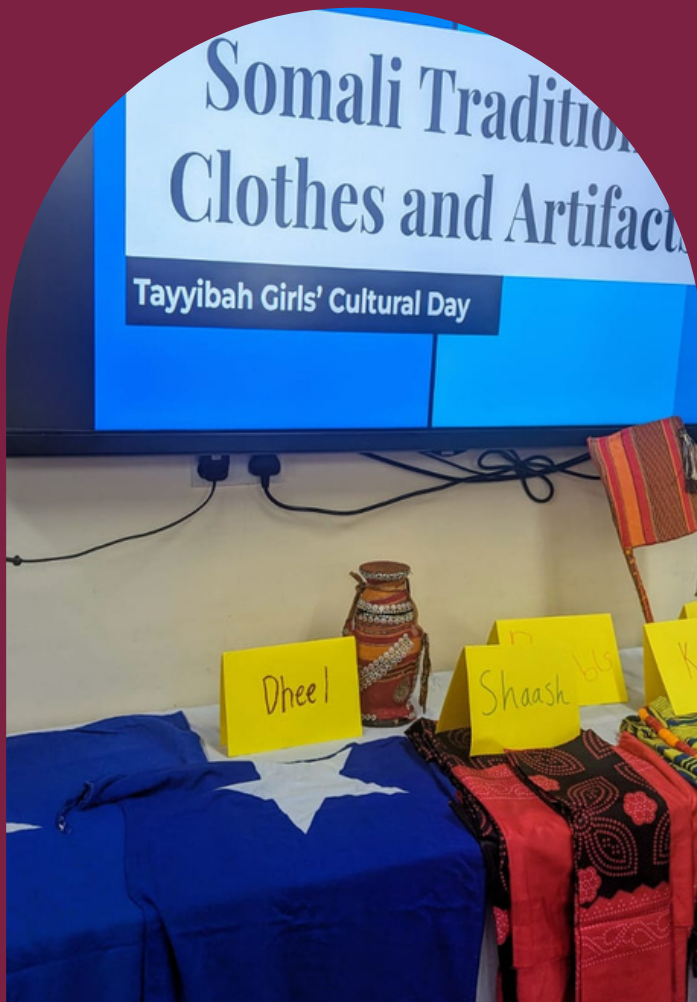

SCHOOL LEADERSHIP TEAM

“Our mission is to provide education to the highest possible standards in an Islamic environment, encouraging excellence, discipline and the quest for knowledge.”

Ofsted Inspection 2025

The school was inspected by Ofsted in May 2025.

This was a full graded inspection. It was a rigorous process: the inspection team observed lessons, studied data, met with school leaders, spoke with students, staff and governors, and drew on feedback from parents

In the Inspection the following judgements were made:

Overall effectiveness: Good

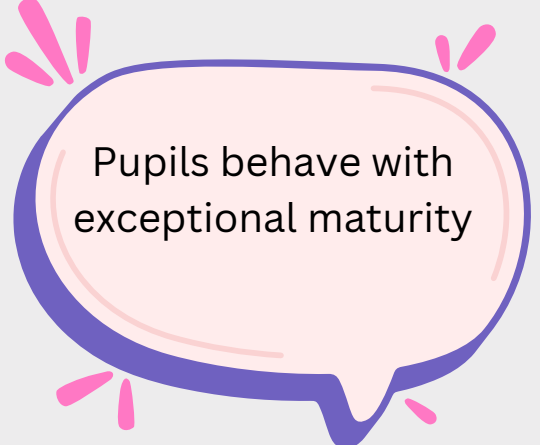

The quality of education: Good

Behaviour and attitudes: Outstanding

Personal development: Good

Leadership and management: Good

[The full report can be found here](#)

Pupils behave with exceptional maturity

Leaders foster a close-knit school community

The school has high aspirations for pupils' academic achievement

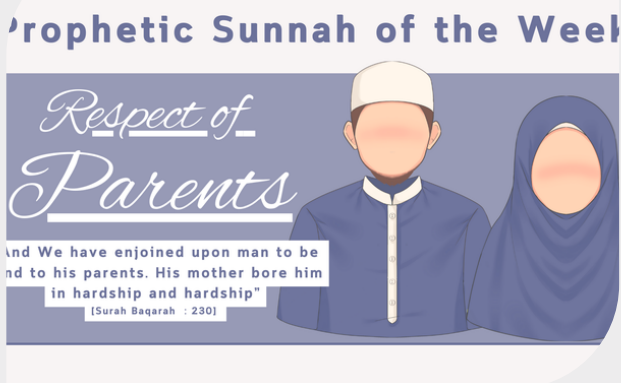

SUNNAH OF THE WEEK

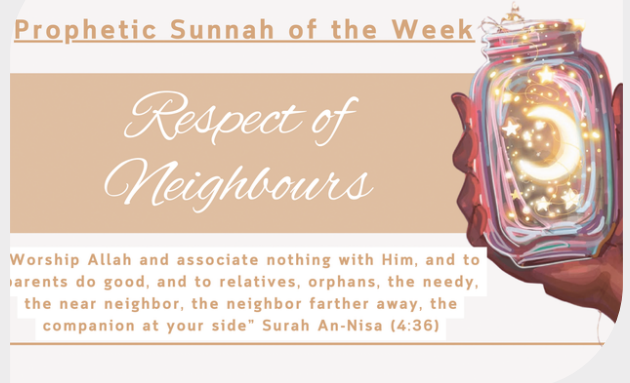

Throughout the term the school presents one Prophetic Sunnah, prepared by the Islamic Studies department for the students. The Sunnah is a simple activity which pupils can implement into their daily lives.

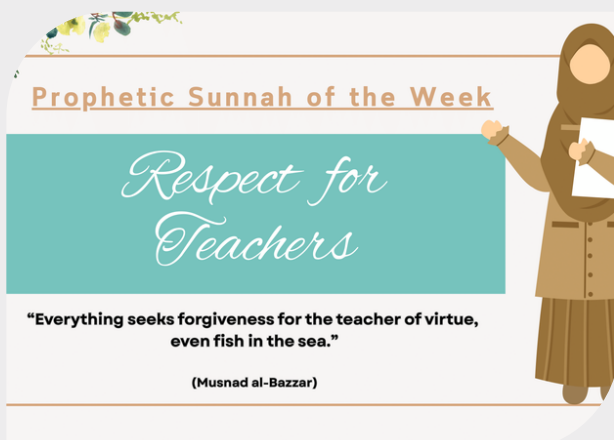

Below are the Sunnah which have been covered this term:

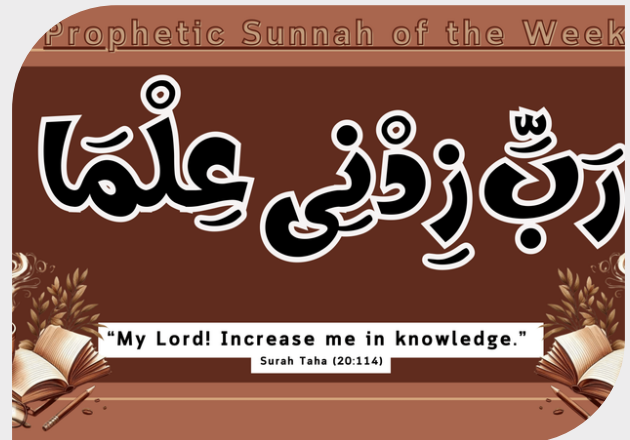

w/c 7th Apr 25 - RESPECT OF PARENTS

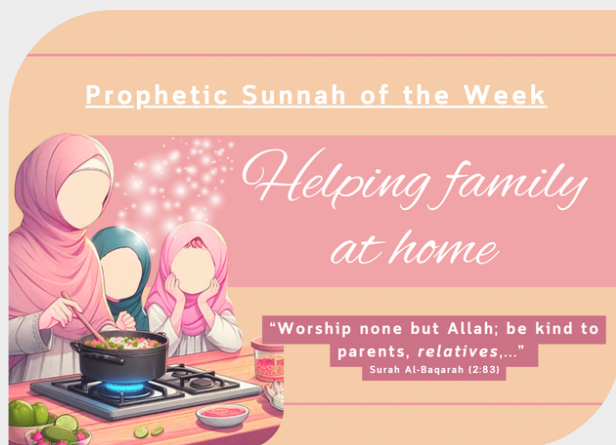

w/c 14th Apr 25 - RESPECT OF NEIGHBOURS

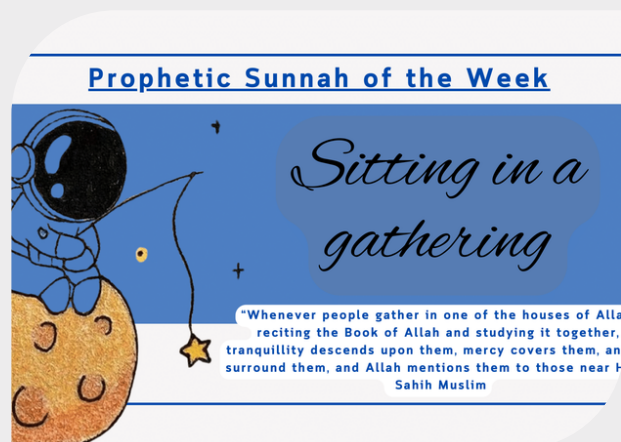

w/c 21st Apr 25 - RESPECT FOR TEACHERS.

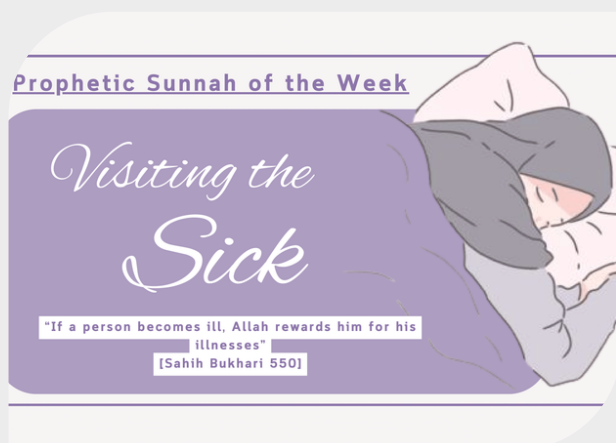

w/c 28th Apr 25 - THE ADAB OF STUDYING

w/c 5th May 25 - HELPING FAMILY AT HOME

w/c 12th May 25 - SITTING IN A GATHERING

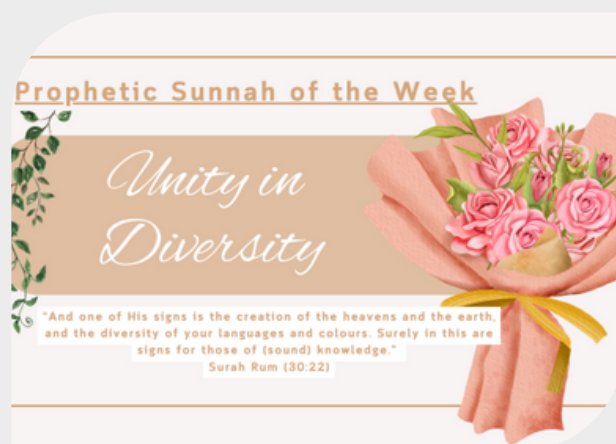

w/c 19th May 25 - VISITING THE SICK

w/c 2nd Jun 25 - EID AL ADHA

w/c 9th Jun 25 - CONTENTMENT

w/c 16th Jun 25 - UNITY IN DIVERSITY

MULTICULTURAL DAY – UNITY IN DIVERSITY

We celebrated Multicultural Day, a wonderful opportunity for our school community to come together and recognise the rich variety of cultures within the Muslim world and beyond.

We began with a special assembly featuring different styles of Quran recitation and adhan from across the world, showing how beautifully diverse these traditions sound while uniting us as one Ummah.

Throughout the day, pupils learned from parents who kindly came in to speak about their cultures and share their heritage. Lessons across the school were planned around culture, helping students explore traditions, values, and contributions from different communities in meaningful ways.

Students brought food from home to share with their peers, and some parents generously provided dishes for the whole school to taste, a lovely way for everyone to experience different cuisines. There were also chances for pupils to try on traditional clothing, including saris, and take part in activities that celebrated our theme of Unity in Diversity.

Jazakumullah khair to all the parents and staff who helped make the day so special for our children.

SPORTS DAY 2025

On Tuesday, July 8th, students from Years 7, 8, 9, and 10 participated in their annual sports day at Springfield Park. The girls competed in football and cricket tournaments, followed by individual sprint races and relays. Throughout the day, points were awarded to each house group for both team and individual events, making it an exciting day filled with competition!

The standout sprinter from Year 7 was Maryam Miah. In Year 8, the race was very close, with Sumayyah Arefin taking 1st place. For Year 9, Sumayyah McKenzie excelled, while Aisha Solkar shone in Year 10.

A special mention goes to the mothers and teachers who secured an impressive victory against the Year 9/10 students in the tug of war.

Overall, it was a fun and competitive day. Well done to everyone who participated!

The Primary Sports Day took place on Wednesday, July 9th, where students from Years 1, 2, 3, 4, 5, and 6 competed in a multi-sport event. There were exciting water races and a giant dodgeball match. The students worked hard despite the hot conditions.

Outstanding individual sprinters included Juwayiriah Ahmed and Bushra Nurr from Years 1 and 2. The fastest runner from Year 3 was Zara Sahebzada. Fatima Rizwan took 1st place in the Year 4 sprint, while Khadijah R and Farha Ahmed claimed impressive victories in Year 6. There were remarkable individual performances and excellent teamwork. Well done to everyone who participated in the events

CONGRATULATIONS TO ALL WHO PARTICIPATED

YEAR 11 SOLACE WOMEN'S AID FUNDRAISER

solace

women's aid

This term, Year 11 students took on a fundraising challenge as a campaign before leaving this school setting after years of hard work.

Having learned about a variety of issues, participants were able to choose their own charity of choice. Feeling strongly about issues that affect women, the girls chose to raise money for Solace Women's Aid, an organisation Tayyibah Girls' school has partnered with before.

A total of **£367.94** was raised in only one secondary and one primary lunchtime sitting. A big maa shaa Allaah and well done to the participants for their commitment and hard work.

The girls feel pleased to have organised this successful event and to be able to make a positive and worthwhile impact on the lives of vulnerable women and children.

BAKE OFF

Our after school baking club has been a real hit this term. Each week, students tried their hand at different recipes, learning new skills and having lots of fun along the way. It's been wonderful to see their confidence grow and the school corridors have certainly smelled amazing!

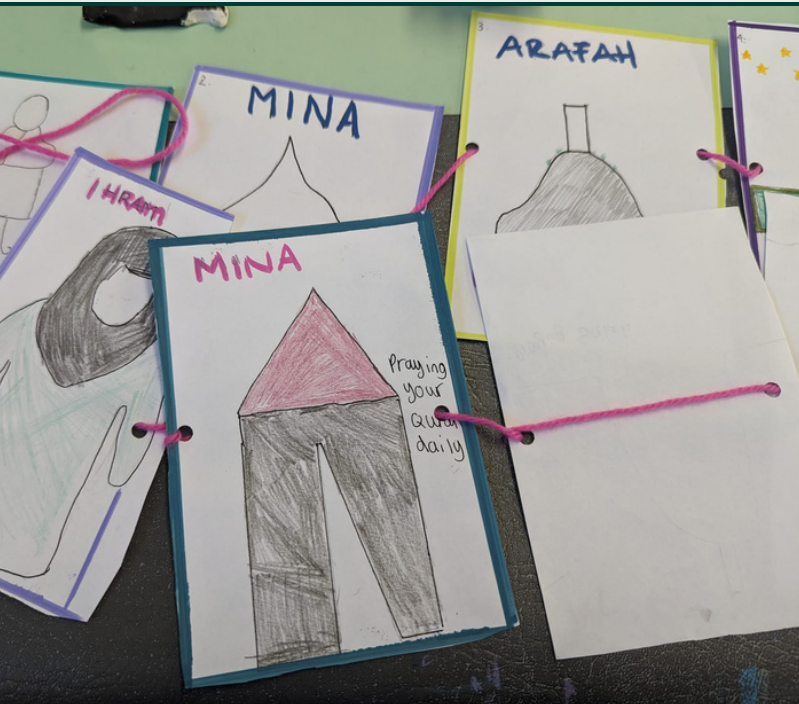

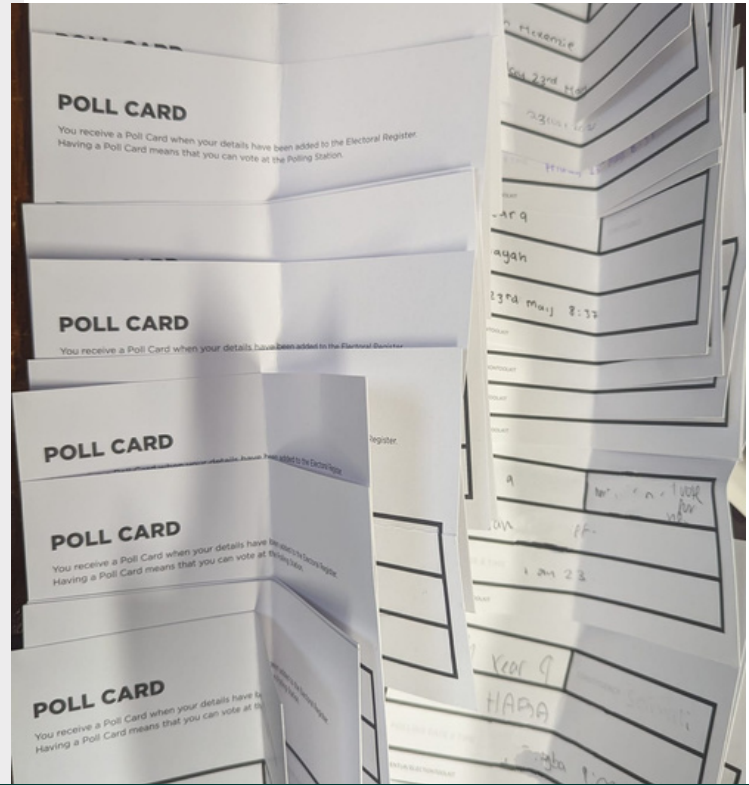

The club ended on a high note with a friendly Bake Off competition. The standard was incredibly impressive, with plenty of delicious bakes on display. We're delighted to share that the winner was Aasiya Maljee from Year 8 with a delicious Victoria sponge cake. Well done to all our budding bakers for their fantastic efforts!

EVENTS THIS TERM

SCHOOL COUNCIL ELECTIONS

Our school council elections took place recently, and pupils participated with enthusiasm and maturity. Candidates prepared and delivered inspiring speeches, sharing their ideas on how to improve the school and support their fellow pupils. It was fantastic to see such confidence, creativity, and a strong sense of responsibility. All the candidates should be proud of their efforts, and we look forward to seeing the positive contributions the new school council will make.

HAJ WEEK

Pupils enjoyed a detailed and engaging Hajj assembly. They learned about the significance of Hajj, the key rites of the pilgrimage, and the lessons of sacrifice, patience, and unity it teaches. The assembly was supported by further learning in other lessons, where pupils explored the deeper meanings of Hajj and Eid al-Adha through discussions, activities, and reflections. It was a valuable opportunity to enhance understanding of this important pillar of Islam.

EVENTS THIS TERM

AIRHOP ENFIELD TRIP

A fulfilled end of year trip for Reception, Year 1, 2, 3 and 4. Creating memories to last forever at AirHop Enfield trampoline park.

Students jumped their way through each activity including trampoline, soft play, inflatable slides and the gladiator challenge with their friends.

FAREWELL MESSAGE TO YEAR 11 STUDENTS

As we say Goodbye to our fantastic Year 11 students.

We would like to thank all of you for all the hard work and dedication that you have shown whilst you have been with us.

For many, there will be a sense of the past five years having passed by in a flash. During those five years, we have had the privilege of seeing our Year 11 students grow, mature, discover themselves and discover what they love to learn so that today, they are leaving with dreams and aspirations, hopes and ambitions for what lies ahead.

They have shown tenacity and determination in the past year; they have not wanted anything to stop them from achieving their potential, and they have worked hard to ensure they made both personal and academic progress during this year, so that they were as ready as they could be for the next stage in their journey in sixth form, college, training or employment.

May Allah Subahana Wa Talla continue to guide each and everyone of you to actions that pleases him.

May Allah Subahana Wa Talla fulfill all your ambitions, hopes and aspirations.

May Allah Subahana Wa Talla utilises each one of you for his religion.

Allah Subahana Wa Talla grant you success in this world and the hereafter. (Aameen)

Finally, huge congratulations to you all and we look forward to seeing you on 21st August.

Have a fantastic summer.

ONLINE SAFETY

To help keep your daughter safe online, we will be including bitesize information in our termly newsletter to help you stay informed about how to help to keep your daughter safe online.

ROBLOX

We have been recently informed of safeguarding issues surrounding the use of Roblox by some of our pupils. As a result we want to share with all of our parents information around ensuring your daughter/s are safe when accessing this platform.

Roblox has recently launched some new parental controls, offering more transparency and management over young people's accounts. The new features allow parents to block specific friends, as well as view more detailed insights into their child's activity. Roblox has incorporated more real-time awareness that can be adapted depending on where parents feel most comfortable, and can be adjusted as their child's digital experiences develop.

What's Included?

To access these features, parents and carers will need to link their own Roblox account using a verified ID in a move to encourage only trusted individuals to access and modify parental settings. Once linked, parents can:

- Block specific users from their daughter's friends list which will remove direct messaging and engagement with that user.
- Block individual experiences – this is content that they may not want their daughter to see. Parents can already set a maturity level for the content they are exposed to, but this feature allows for specific blocking on experiences that may fall out of the maturity level.

ONLINE SAFETY

To help keep your daughter safe online, we will be including bitesize information in our termly newsletter to help you stay informed about how to help to keep your daughter safe online.

ROBLOX (CONTINUED)

- Track the time that they spend on Roblox - this gives parents a clearer picture of what their daughter's screen time is highlighting, and more specifically, what experiences they are engaging with the most.

Supporting your child to stay safe online

We all know that this is easier said than done when we are in busy households where parents are constantly juggling a wide range of tasks and responsibilities. The links and information below aims to provide parents and carers in our community with more information in order to make informed decisions about the use of Roblox and how best to protect their daughter.
